SURFERS AGAINST SEWAGE AUTUMN BEACH CLEAN AT EASINGTON BEACH SUNDAY 28TH OCTOBER

Did you watch Drowning in Plastic on BBC1 recently? Come and join us to clean Easington beach. The Autumn beach clean has long been a staple of every ocean enthusiasts diary. The scale of this clean - the biggest in the UK - will provides us with vital data to inform the Government's decision on a new deposit return scheme. We will be able to specifically show the range of bottles and cans ending up polluting our islands, which need to be included in a new scheme. Join us at Easington beach on Sunday 28th October 11.00-12.30 to be part of this community movement. Location - Seaside Road, Easington at the cliff top above the access slope to the beach. Bags, litter pickers and gloves provided. Wear appropriate clothing for the weather. Family friendly - children to be supervised at all times. Dogs welcome. SPURN BIRD OBSERVATORY

We are in the middle of the autumn now and after a slow start - we are enjoying the arrival of more migrant birds, including a few rarities: Red-flanked Bluetail, Rose-coloured Starling, Great White Egret, Spurn's first Baird's Sandpiper and a new record day count of Yellow-browed Warblers - 39 on the 7th October!

We all had a great time at the Spurn MigFest - the tea and chat flowed at Westmere as guided talks, walks, bird ringing demonstrations and live music went on. Our headline evening lectures from Richard Porter and Canadian Long Point Bird Observatory's Stu MacKenzie were inspiring and fantastic, and the annual Martin Garner Spurn Young Birder of the Year competition was won by Jack Bradbury and Angus Jennings amongst a spate of great young finalists.

Friends of Spurn memberships for 2018-2019 are now due - you can renew (or join anew!) at Kew Villa or the new Spurn info Hub outside the Observatory building at weekends 12.00/13.00 - 17.00.

We have also taken delivery of The Spurn Wildlife Report 2017 - bursting full of artwork, stunning photographs and all the information you could want about all things wildlife in the Spurn area last year. You can pick a copy up from Kew Villa for £15

EASINGTON CHURCH OF ENGLAND PRIMARY

Its a whole new year at Easington CE Primary Academy! We are very lucky in schools that we have two each year; the January one we share with everyone, and the new academic year every September.

This year we have had a slight move around in school following the departure of Mrs Rutter for pastures new, meaning that our Early Years area have got more room to explore with Mrs Burke and Mr Bowes in their own area. This also ensures that our all day Nursery pupils have a secure area in which to work and play. Year 1 and Year 2 are now with Mr Caulton, leaving Year 3 and 4 with Miss Deyes and Year 5 and 6 with Mr Goodwin.

The atmosphere in school is crackling with excitement as we are moving our learning forward minute by minute. Our pupils are making lots of progress and more importantly, enjoying every minute of it.

This term we have linked up with the Yorkshire Wildlife Trust to develop our understanding of our coast and how we can work to keep it as a flourishing habitat. We are working closely with schools in York to position ourselves as a Science Hub School. We are doing this so that not only can we share and educate other less fortunate schools within the country using our fantastic location, but also to give our pupils greater leadership experience by working with other pupils from across the length and breadth of the Yorkshire region. We have been recognised by the East Riding Music service as a Music Mark school and we are also working with the Manchester Camerata Orchestra in association with Withernsea High School, to develop and create a new composition to be performed as part of a project with Year 5 and Year 6 pupils over the next two years. We would like to take this opportunity to also thank the Parish Council for their generous contribution to our school to further update our IT equipment, and for our fantastic Friends of school who are nothing less than amazing when it comes to supporting our school and our pupils.

Our school is constantly developing, but still retains its distinctly Christian nature. We feel proud to be a part of such a wonderful, vibrant and caring community.
