MESSAGE FROM JOAN

Joan Briglin would like to say a big thank to all who made her 80th birthday special, the fabulous afternoon tea party and all who participated in putting her forward for the British Citizens Award (BCAc) for her work in the Community, a great honour.

Joan went to London to receive the award which is given to recognise exceptional individuals who work tirelessly and selflessly to make a positive impact on society. Joan has raised funds over many years for local organisations and many other charities, helping out with numerous Church and Village events along the way. Joan was accompanied by Helen Jacobs and had a wonderful time including a trip on the London Eye. Well Done and thank you Joan.

THE VIEW FROM EASINGTON PRIMARY ACADEMY

As the summer term ends, I am saying a sad goodbye to Easington. I have enjoyed the last two years more than I can possibly say. I was born in Birmingham, trained in Scarborough and worked in Hull for most of my career, and knew little about Easington. But as soon as I drove into the village I felt that I had come home. I have had the best time ever working with amazing children and families, and the most dedicated group of staff. The Diocese of York have supported me and the school, as have the brilliant Ebor team and hub of schools, but it is the local community that has really made the difference. I have very little space in which to thank everyone, so if I have not named you personally, please do not be offended. You should already know that I think you are wonderful! I would like to thank in particular: The Easington Friends of school, most notably Kathryn Rogers and Kerry Fletcher for their unswerving loyalty to the school and their commitment. Lois and Ian Rutter for their support and making All Saints available at a moment's notice! The South Holderness Open the Book team for bringing bible stories to life with so much infectious enthusiasm. Carol Biglin for running Toddlers at school, showing the next generation what a fantastic school we have, and for being so positive about the future. All of the parents, carers and wider family who have put their trust in us to educate their children. I can honestly say that the school now, thanks to everyone's hard work and commitment, is in a strong position to continue to flourish and grow. I have had the best time I have ever had at the seaside! All of the best for the future, *Paul Goodwin. Departing Head of School.*

SKEALS

I can now confirm that the topic for this year's Gas Companies Calendar is 'Wildlife'. Please note the following:

- . The images to be sent to Diane Horncastle as a Jpeg file in landscape format or printed images can be sent to 6 Westfield Close, Easington, these will be copied and returned.
- . Please put your name with the image. (These will not be on show at the time of selecting photographs for the calendar).
- . Give the image a title.
- . The deadline for the images is 1st October. To be taken locally, they don't have to have been taken this year but recently. A seasonal connection would be helpful but not essential.

The Launch of our newest Publication **Philip Loten, Taxidermist** will be Sat. 24th August in All Saints' Church at 11pm., there will be a small display on this subject and in addition display boards with new research covering the **History of The Local Public Houses** to compliment this years Calendar. Please come along and support your local history group. Refreshments. The display will be open over the weekend with the exception of Sunday morning.

FRIENDS OF EASINGTON CE PRIMARY ACADEMY

Our work draws to close for this academic year and what a successful year it has been! We have purchased 20 Chromebooks, software and storage case; replaced the full school reading scheme; building materials to extend the Early Years sandpit; large construction building blocks for Early Years; storage shed for play equipment; walkie talkies for use within the school and grounds; mathematics resources and are hoping to purchase two sofas for the new library area. Additionally, all children received an Easter Egg and attended the annual pantomime trip. Over £8,000 has been spent. Finally, we welcome to the team Claire Swain, Carly Jones and Amber Richards. We look forward to raising more money together, having fun and creating memories for the children of our village and surrounding area. Thank you.

CHURCH NEWS

We have enjoyed some really special services recently, with two baptisms in cafe church, then a service at Welwick on the 30th June where we said goodbye to Rev Carol with a superb lunch in the village hall afterwards. Then on 14th July we had a confirmation service at Ottringham in which Bishop Alison baptised two adults and confirmed six people from our group of churches. Two reminders- firstly don't forget that the church is open for visitors during the summer holidays and volunteers are needed to host this, or just to go in and keep the volunteers company and enjoy the peace and quiet. Secondly - we offer prayer for healing on a regular basis, so let us know if you have a relative or friend who needs this. Thursday morning at 11am is a quiet time if you wish to come along personally.

Are you new to the village? Chancel Cafe Communion on the 3rd Sunday of the month is an informal breakfast service and a good place to get to know people. The

Pattern for all services is 9.30am. every Sunday with some rare exceptions. The Methodist Service is the first Sunday of the month.

SKEFFLING NEWS

We can at last report that we have received our Defibrillator. It has been installed on the front of the Village Hall. The Help for Health Charity via The Smile Foundation which runs in conjunction with Graham Stuarts CADEY Campaign match funded the amount we have raised so we are pleased to report that after installation we shall have a small amount left over which we are putting towards the upgrade of our Playground. Thank you to everyone who has helped raise these funds. We are holding a Scarecrow Hunt on the 10th August starting at 12pm with Bacon Sandwiches to set you on your way, then back to the hall for a Tombola & Tea & Cake. We hope you can join us and help raise money for the Yorkshire Air Ambulance. The our next event is on Friday 6th September, an evening with the Pub Lads and special guests Briggs & Stratton (Billy & Brim)!!! Tickets will be on sale shortly, there will be a bar so no need to bring your own but you are welcome to bring a picnic.

YORKSHIRE WILDLIFE TRUST

Yorkshire Day at Spurn 1st August 2019 11am to 4pm. Help us celebrate Yorkshire Day at Spurn once again with some great activities for all of the family. There is so much to be proud of in Yorkshire but we think Spurn is well worth a look. Come and see what is produced in the area to help wildlife and make a difference.

Bees and pollinators have such an important role for crops, other wildlife and us. We have two hives at Spurn producing 'Spurn' honey. The bees are looked after by Chris Rees and he will be running a demonstration hive on Yorkshire Day at Spurn. Come and find out more with a chance to sample and buy some local honey. Ever wondered how felt is made? Come and have a go and see the wonderful things made from this natural material.

There will be a chance to see and hear our new sound installation at the lighthouse with a preview at the Discovery Centre. Sarah Dew will be on hand to explain her work and how it will develop over the next three months.

Book onto the Safari at 12 noon to be the first to experience the sound installation at Spurn Lighthouse. Julia Lewis will be here demonstrating her skills as a pyrographer (wood burning art) and you have a chance to purchase her beautiful creations. There will be demonstrations of Opticron binoculars, nature walks and craft activities available throughout the day too. Overall a fantastic day out for all of the family.
